Established Since 1995
...celebrating years of service to the Denton community...

History

The Denton Black Chamber of Commerce is an organization celebrating years of service to the Denton community. We embrace capitalism and all the good it affords. The Chamber was established in 1995 for the express purpose of helping with the "Creation, Expansion, and Proliferation of African American owned businesses. We represent many different facets of the community working together to create, grow and proliferate African-American owned businesses.

While the focus of the organization is on the African American Community, our membership is open to all persons irrespective of their race, creed, origin or political affiliation. Our common goal is to make the "American Dream" come true for all of its citizens. We also work jointly with the Hispanic Chamber and the Denton Chamber of Commerce on economic development and employment issues. We invite you to join us in our mission and to help us make our community, city, state, and country the best it can be for all people.

The Denton Black Chamber serves as a clearinghouse, referral service, and a small business initiation tool to better equip and inform its members of current and necessary business requirements. The Chamber also promotes its members' products and services and it provides quarterly networking mixers to keep you and your business in the public eye.

There are opportunities to network at the meetings. We encourage you to get on our mailing list to receive newsletters as well as upcoming events brochures.

We love hearing from the community and throughout the world. Feel free to write or call us by using the w contact information below. Our regular meetings are held the 2nd Tuesday of each month at 6:00 PM at the Denton Housing Authority Conference room located at 1225 Wilson Street, Denton, TX 76205.

We thank you in advance for your participation and support.
